Sultan Schools District & Sky Valley Families,

The Sultan School District has formed a new partnership with a non-profit community service program called Music4Life.

For the past sixteen years, this incredible non-profit organization has made a difference in the lives of public-school students who qualify for free, reduced-price federal meals. By providing donated and repaired musical instruments at no cost, Music4Life has been removing the financial barriers, ensuring that every student who wants to pursue instrumental music can do so.

The mission of Music4Life is in line with our commitment to know every student by name, strength, and need so that they graduate prepared for the adult role they choose in our community. A Sky Valley Chapter of Music4Life is being established to support this commitment to help our district's students by providing instruments through our schools.

Your role in this effort is vital. I encourage anyone who gently uses a trumpet, clarinet, violin, flute, or any other musical instrument to consider donating it to Music4Life. The donor form is available at [Music4Life.org](https://www.Music4Life.org). Additionally, your financial contributions to fund the repair of these musical instruments are not just welcome; they are crucial.

Sincerely,

Dan Chaplik, Superintendent

Sultan School District #311
